WAR IS WORRYING **NEW YORK MARKET**

Stocks Are Sold to Discount Demoralization of Business.

International News Service.)

Fork, June 28.—Wall Street
ed today that it would be worfor a time over the war and the
to be paid by the government,
stead of buying stocks and dising inflation it sold them to disthe demoralization of dualities, bether business will be demoralized body knowns, but the professionals are pleased. Besides some of them to have no means of knowing anying about the matter decided that Interstate Commerce Commission uid not hand down a decision on the commerce of the

CAPITAL TRACTION STOCK DOMINATES

Washington Issues Lead the Local Market with Strong Tone.

Capital Traction stock dominated the Washington Stock Exchange yester-day. It sold at 80. Other features of the market were the strength of the bonds of the same company, which advanced to 102, and the weakness in advanced to 105, and the weakness in American Graphophone 5s, which sold off at 293-4, from an opening at par. Railway 4s sold at 783-8, and Wash-ington Gas stock was traded in spar-ingly at 721-2 to 723-4.

The directors of the Columbia Nathe Interstate Commerce
would not hand down a decision on
would not hand down a decision on
the rate case for sixty days and that
worried them. Then most of the
traders were unhappy because they
had neglected to go short of Studehade, Sinclair Oil and Ohio Cities
haker, Sinclair Oil and Ohio Cities
have the Saltimore

anks of an 18 per cent instalment on the liberty loan, thus temporarily sking \$50,00,600 out of circulation foney rates did not harden materially a result, but there were important necrests who sold in expectation hat some disturbance would be caused in the money market. Just at the close of the day there was good buying of stocks suggesting that the shares sold were being taken back.

Studebaker had an extreme break of 5 points and touched a new low level of 67. Its weakness caused selling of General Motors and Chevrolet, both of gain of \$4.614.615 over the gross for the same months of the grain for the month \$3.170,500, an increase in maintenance and transportation expenses causing the shrinkage in net gain. For five months of the fiscal year ended with May the gross of 67. Its weakness caused selling of General Motors and Chevrolet, both of gain of \$4.614.615 over the gross for the same months of the previous revenue of weakness elsewhere in the automo-

NEW YORK MONEY.

New York, June 28.—Money on call opened at 5 per cent; his, 5 per cent; low, 4 per cent; close, 4'5 per cent. Most of the day's louns very made at 5 per cent.

Time money did not case off in harmony with the denand rate and short maturity money was still in demand at full rate. Rates. Made per cent for sixty to ninety days; Biss per cent for longer maturities.

Microantile paper was quiet but some well known names were placed in moderate amounts a the hishest quoted rates, but this was an emocuragement as the market has ruled almost at nothing for the rust fun week. Rates received, at 1874 per cent for the highest grade names.

COTTON MARKETS.

New York, June 28.—Improving crop prospects as refacted in numerous advices caused general selling of cotton and weakmed the market today after it had displayed firmness in the early trading. The market opened firm at a general advance of 22 to 25 points. Early weather and crop gossip was favorable. Liverpool buying was the principal feature of the early trading. The early buying was followed by reactions which carried active menths some 5 to 10 points not lower. The market was quiet late in the forenous. Prices steadied after the reaction, working 5 or 6 points above last night's closing firms. But the recovery was not fully maintained and the tone was rather unsettled.

Price declined steadily after midday and before 2 o'clock showed a net loss of more than fore 2 o'clock showed a net loss of more than fore 2 o'clock showed a net loss of more than 15% as a bale and a decline of almost 60 points from the high level of the first hour. New Orleans also weakened sharply and private advices noted 324 an increase in country selling.

Plans were made known yesterday for the establishment in a building near the Smithsonian Institution of a permanent aircraft exhibit, includ-ing the latest types of foreign airplanes, specialized parts, apparatus

planes, specialized parts, apperatus and materials.

The exhibit will enable private manufacturers and government engineers to study new designs and details of construction and thus improve the aircraft output of the United States.

The War Department is now constructing the building in which the exhibt will be housed, just south of the Smithsonian Institution.
